In addition, to participate in the WRHL or in any tournaments that are USA Hockey sanctioned, I must also pay a yearly membership to USA Hockey. If I do not choose to pay that fee through SWH, I must have a valid membership card or receipt to show the Registrar before participating in the WRHL or in sanctioned tournaments.

WRHL Team Expectations

- Each team captain will set their own team guidelines.
- As soon as you realize you cannot make a scheduled game, you need to call your team captain.
- If you cannot complete a half-season, let your team captain know.
- Because this is a learning league, we all help each other become better players and learn from more experienced players and our coaches.
- Sportsmanship is stressed in this league. While we want everyone to play hard, we also want everyone to maintain respect for all players, coaches, refs, and the game. When we skate the line at the end of a game, we shake hands with all players and remember that our goal is to have fun!

WRHL Sub Expectations

- You need to pay the team captain the amount required for each game BEFORE the game begins.
- Just showing up to substitute without being notified will not guarantee that you can sub on either team.
